

## VACANCY

**PROJECT MANAGER: INFRASTRUCTURE MANAGEMENT SERVICES  
FIVE (5) YEAR FIXED TERM CONTRACT: EAST LONDON  
GRADE 15: R740 800- R1 072 600 (Total Cost To Company)**

The incumbent will be responsible for the initiation, planning and implementation of identified infrastructure projects. The role entails management of performance of project teams to ensure that projects are implemented applying the principles of project management which includes quality, timeframes, budget parameters, as well as management of consultant and contractor service delivery agreements. The incumbent will be responsible for ensuring compliance with any relevant and applicable infrastructure delivery legislation; preparing individual project reports on status, expenditure, variations, delays, etc on allocated projects; continuous monitoring and evaluation of project performance to ensure delivery of project objectives and effective management of allocated funds; and risk management to identify and mitigate risk for project success. This role demands a strong understanding of the built environment and the ability to work independently with minimal supervision.

### MINIMUM REQUIREMENTS

- Bachelor's degree in civil engineering.
- Minimum of 5 years' construction project management experience in the built environment.
- A PMP /or PrCPM registration will be an advantage.
- A good understanding of the full project lifecycle and project management principles is a must.

This is a 5-year contract position, and the successful candidate will be subjected to signing of a performance contract and verification of qualification. If you have not been contacted within eight (8) weeks after the closing date of the advertisement, please regard your application as unsuccessful.

**In making these appointments, the ECDC reserves the right to apply the principles enshrined in the Employment Equity Act, its policies, and plans.**
