BID CLOSURE REPORT

Clarification regarding the submission register for the referenced documents.

Upon review, it was noted that **Africa Software Architects** and **Profecia IT (Pty) Ltd** are not listed on the submission register. Instead, the register reflects entries for **Aramax** and **Mome CIT**. It is presumed that **Aramax**, being a courier company, delivered one of the two documents in question. Similarly, it is assumed that **Mome CIT** was responsible for delivering the other document.

It is important to note that a total of nine documents were received and recorded in the register.
