**PROJECT NAME: PANEL FOR BUILT ENVIRONMENT PROFESSIONAL SERVICE PROVIDERS FOR A FRAMEWORK AGREEMENT FOR A PERIOD OF 3 YEARS**

**BID NO: ECDC/INFRA/41/122024 CLOSING DATE: 28 FEBRUARY 2025 TIME: 12:00PM**

**BID CLOSURE REPORT**

The Pricing Schedule for the Architect was not included in the initial document and was later issued as an addendum. Service providers who had already submitted their bids before this omission was discovered were given the opportunity to collect their documents and resubmit them before the new closing date of February 28, 2025. The companies highlighted in red are those that requested their documents and indicated that they would resubmit.

Additionally, there were two instances where the bid register ran out of space, and to prevent congestion at reception, the reception team allowed bidders to register their submissions in the ECDC visitors' register. During the bid closure verification, it was noted that two numbers, 76 and 181, were missing from the closing register. The bid register was numbered up to 191, and with these missing numbers, the total number of bids received was confirmed as 189.
